Memorandum of Understanding (MOU) between DataFlair Web Services Pvt Ltd and Anuradha Engineering College Chikhli

From: 5 Feb-2022 to 4 Feb-2023

Parties:

1. **DataFlair Web Services Pvt Ltd**, 140-d, Sudama Nagar, Indore, MP, hereinafter referred to as the "DataFlair."
2. **Anuradha Engineering College Chikhli** hereinafter referred to as the "College."

Background:

The College is committed to providing high-quality education and enhancing the employability of its students.

DataFlair specializes in offering free certification courses on latest cutting-edge technologies, study material, interview questions, tests, projects, and industry-recognized certificates in various technical domains, thereby supporting skill development and employability.

Purpose:

The purpose of this Memorandum of Understanding is to establish a framework for collaboration between the College and the DataFlair Company to benefit the students of the College through the free Certification courses that the DataFlair Company is providing.

Terms of Collaboration:

1. **Course Access:** The DataFlair Company will provide free access to its certification courses, study material, interview questions, tests, projects, and industry-recognized certificates to the students of the College.
2. **Customization:** The College may request course customization to align with its curriculum and specific requirements. Such requests may be considered by the DataFlair Company on a case-by-case basis.
3. **Technical Support:** The DataFlair Company will provide technical support to ensure the smooth delivery of courses.
4. **Certification:** Upon successful completion of courses, students will receive industry-recognized certificates from the DataFlair Company, enhancing their employability.
5. **Collaboration:** The College and the DataFlair Company will collaborate on sharing the courses to all the students of the College every year (Not only to few batches) and ensuring awareness of the available resources.

6. **Data Privacy:** Both parties will adhere to all applicable data protection laws and ensure the privacy and security of student data.
7. **Duration:** This MOU shall commence on the date of signing and remain in effect unless terminated by either party with written notice.
8. **Financial Obligations:** In this MOU between College and DataFlair Company, it is agreed and understood that no financial obligations or terms are involved in the collaboration. Neither DataFlair company nor College / Faculties / Students need to pay.

Responsibilities:

1. **The College:** The College will facilitate the provision of resources, including access to students, promotion of courses, and sharing course information with students periodically on official channels. The College shall make reasonable efforts to ensure that all new students are informed and all incoming students have access to these courses provided by DataFlair.
2. **The DataFlair Company:** The DataFlair Company will provide access to courses, study material, technical support, and certification.

Dispute Resolution:

Any disputes arising from this MOU shall be resolved through amicable negotiations between the parties. If a resolution cannot be reached, the matter shall be referred to mediation or arbitration as per the laws. Disputes shall be subject to the exclusive jurisdiction of the courts located within Indore, MP.

Amendment:

This MOU may only be amended in writing and signed by both parties.

Memorandum of Understanding (MOU) between DataFlair Web Services Pvt Ltd and Anuradha Engineering College Chikhli

From: 10 Jan-2020 to 10 Jan-2021

Parties:

1. **DataFlair Web Services Pvt Ltd**, 140-d, Sudama Nagar, Indore, MP, hereinafter referred to as the "DataFlair."
2. **Anuradha Engineering College Chikhli** hereinafter referred to as the "College."

Background:

The College is committed to providing high-quality education and enhancing the employability of its students.

DataFlair specializes in offering free certification courses on latest cutting-edge technologies, study material, interview questions, tests, projects, and industry-recognized certificates in various technical domains, thereby supporting skill development and employability.

Purpose:

The purpose of this Memorandum of Understanding is to establish a framework for collaboration between the College and the DataFlair Company to benefit the students of the College through the free Certification courses that the DataFlair Company is providing.

Terms of Collaboration:

1. **Course Access:** The DataFlair Company will provide free access to its certification courses, study material, interview questions, tests, projects, and industry-recognized certificates to the students of the College.
2. **Customization:** The College may request course customization to align with its curriculum and specific requirements. Such requests may be considered by the DataFlair Company on a case-by-case basis.
3. **Technical Support:** The DataFlair Company will provide technical support to ensure the smooth delivery of courses.
4. **Certification:** Upon successful completion of courses, students will receive industry-recognized certificates from the DataFlair Company, enhancing their employability.
5. **Collaboration:** The College and the DataFlair Company will collaborate on sharing the courses to all the students of the College every year (Not only to few batches) and ensuring awareness of the available resources.

6. **Data Privacy:** Both parties will adhere to all applicable data protection laws and ensure the privacy and security of student data.
7. **Duration:** This MOU shall commence on the date of signing and remain in effect unless terminated by either party with written notice.
8. **Financial Obligations:** In this MOU between College and DataFlair Company, it is agreed and understood that no financial obligations or terms are involved in the collaboration. Neither DataFlair company nor College / Faculties / Students need to pay.

Responsibilities:

1. **The College:** The College will facilitate the provision of resources, including access to students, promotion of courses, and sharing course information with students periodically on official channels. The College shall make reasonable efforts to ensure that all new students are informed and all incoming students have access to these courses provided by DataFlair.
2. **The DataFlair Company:** The DataFlair Company will provide access to courses, study material, technical support, and certification.

Dispute Resolution:

Any disputes arising from this MOU shall be resolved through amicable negotiations between the parties. If a resolution cannot be reached, the matter shall be referred to mediation or arbitration as per the laws. Disputes shall be subject to the exclusive jurisdiction of the courts located within Indore, MP.

Amendment:

This MOU may only be amended in writing and signed by both parties.
