### 7.3.1

**Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words.**

One of the missions of this institute is the socio- economic development of rural regions by producing highly talented engineers with social and human values.

To accomplish this goal, the institute has initiated a higher education awareness program in a rural area. Simultaneously, the institute has implemented policies that prioritize practical experiences, emphasizing social and human values.

#### **Higher education awareness program in a rural area:**

Many Students in a rural area has found reluctance towards higher education particularly toward technical education. They may have limited exposure to higher education opportunities. They may not be aware of the benefits and career prospects associated with pursuing a degree. Implementing awareness programs can help to spread information about higher education options. In this context, the institute organizes the following activities every year.

- **Spreading the information in rural areas:** Interactive sessions are organized at schools and junior colleges providing information on various higher education options, including universities, and colleges.
- **Personal Counseling:** one-on-one counseling sessions are organized to guide students and their parents to provide career guidance. assisting them in understanding the benefits of pursuing higher education. Their concerns are addressed
- **Scholarships and Financial Aid:** students and their families are educated about scholarships, grants, and financial aid options available for higher education.

- **Mock tests:** Mock tests of entrance exams of various higher education courses are conducted for rural students to expose them to a competitive environment, building confidence, and developing good study habits.
- **Interactions with successful alumni:** successful alumni or professionals from rural backgrounds share their experiences with students and serve as role models. Students get encouraged and inspired for higher education.

By implementing these comprehensive higher education awareness programs, our institute encourages students of rural areas to pursue higher education and unlock opportunities for personal growth and socio-economic development.

#### **Community service programs in collaboration with parent organization PRMSS, chikhli.:**

To inculcate human values and social responsibility numerous community service programs are organized by the parent organization of the institute throughout the years.

- Health checkup camp: every year on 12 th Sept and 1 st May health checkup camps are organized by PRMSS to promote community health and well-being. Students and staff of the institute volunteer for the program. Students gain valuable experiences that help them understand and appreciate the social value of community service. By interacting with patients and witnessing their struggles, students can develop empathy and compassion.
- During covid pandemic institute found an opportunity to inculcate the social values in students and train the students in professional ethics. Various social programs were organized by the institute in collaboration with its parent organization (PRMSS) . Institute made positive impact on community, conducted following community service programs.
- ✓ Institute prepared the face shields by utilizing its own resources and delivered free of cost to frontline workers.

- ✓ Face masks sewed by female students at home and distributed to the community.
  - ✓ Manufacturing ( formulation) of sanitizer/ disinfectant Its free distribution to poor and needy people who cannot afford to buy.
  - ✓ Assembling the automatic sanitizer dispenser and providing it at free of cost or very low cost to various institutes, schools, and various organizations.
- India was confronting with a severe second wave of the covid pandemic in April to May 2021. The Covid care center was set up in campus. This region was facing a scarcity of oxygen. To cater to the need for oxygen, this institute along with various local organizations contributed together to set up of oxygen plant. The staff and students of the institute offered their services in the erection and commissioning of the oxygen plant and also ensured its smooth operations for the continuous production of oxygen with its maximum capacity. The cylinders which were lying unused in various hospitals due to minor damage were repaired at the institute and were made usable.
  - Water conservation rally: Water conservation rally ( Jal yatra) is organized every year on the occasion of Mahashivratri. Students of the institute participate and organize various events in rallies thus enhancing creativity and learning the social, professional ethics, collaboration, and teamwork.
  - Volunteering the local festivals: Distribution of free food and water to visitors for local festivals they learn the importance of being reliable, punctual, and accountable for their assigned tasks. Meeting these responsibilities cultivates a sense of duty, discipline, and ethical conduct.

By integrating these two aspects (higher education awareness programs in rural areas and Community service programs) institute is playing a significant role in producing engineers from rural areas with good social and human values. Thus contributing to the socio-economic development of rural areas.

## Report for MHT-CET Mock Test 2023 organized by AEC in College Campus

As a part of Admission campaign 2023-24 and publicity of our college we have organized **Mock CET Test 2023** at **Anuradha Engineering college chikhli** where we have got good response from Coaching class students and Faculties as well.

**The details of test conduction are as follows:**

| Sr. No | Place   | Date & Time                   | No of Students | Coaching class name & Mob. Number   |
|--------|---------|-------------------------------|----------------|---|
| 1      | Chikhli | 23/04/2023<br>11.00 – 2.00 pm | 317            | <ol style="list-style-type: none"><li>1. Reflection coaching class Mehekar<br/>Mr. Bhagwan Tangade sir (9762973661)</li><li>2. Sharad Pawar jr. College D. Raja<br/>Mr. Altaf sir (8805119619)</li><li>3. Param Coaching classes D. Raja<br/>Mr. Deshmukh sir(9764200245)</li><li>4. IFC coaching classes D. Raja<br/>Mr. Fuke sir(9641101010)</li><li>5. Om Classes Buldhana<br/>Mr. Arun Saubhage sir(9960871569)</li><li>6. Shisahi Jr. College Buldhana<br/>Mr. Lahane sir(8390354555)</li><li>7. Vidhya vikas jr. College Kolwad<br/>Mr. Ambhore sir(8007234654)</li><li>8. Vision Classes Buldhana<br/>Mr. Shaikh Sir(9860802303)</li><li>9. IIT Cell Chikhli<br/>Mr. Ailani sir(9850362609)</li><li>10. Sai coaching classes Chikhli<br/>Mr. Khandagale sir(9860311432)</li><li>11. Avesh Coaching classes Chikhli<br/>Mr. Avesh Sir(9970743844)</li><li>12. Patil Coaching classes chikhli<br/>Mr. Vishnu Avhale (8605070854)</li></ol> |

### Highlights:

1. College Presentation was given supported by our college information brochure.  
Along with that various scholarship schemes, admission procedure details, Girls

Hostel facilities for SC students and other students, Shramik card Scheme and other facilities are conveyed to students.

2. The database collected with the details of students like name, mob. No, category and CET form filled status.
3. **First 07 Students** who secured good marks in Mock CET were given **Prizes and Certificates**.
4. **First Prize- Mobile Phone, Second Prize- Bicycle, Third Prize (5 Qty)- College Bags**
5. We will create the Whatsapp group of these students region wise and counsel them about admission for our college by all the way.

## **MOCK TEST REPORT 2020:-**

In Anuradha engineering college chikhli we have organized MOCK CET TEST for the purpose of upcoming 12<sup>th</sup> class students to get knowledge about mock test. The organizing committee decided that all the students in Buldhana district studied in 12<sup>th</sup> standard should avail this facility of mock test 2020.

The following coaching classes and colleges participated in MOCK test 2020

- 1) Sure win academy, Buldhana
- 2) Sharp coaching classes, Buldhana
- 3) Science Square academy, Chikhli
- 4) Gajanan coaching classes, Chikhli
- 5) Sai ganesh coaching classes, chikhli
- 6) Bondre study pattern, Chikhli
- 7) Spark academy, chikhli
- 8) Icon academy, chikhli
- 9) Reflection coaching classes, Mehakar
- 10) Rajiv Gandhi military school, Buldhana
- 11) Rajmata Jijau Military school Girls, Chandai
- 12) Param coaching classes, Deulgaon Raja
- 13) Areen Academy, Chikhli
- 14) ICF Fuke sir coaching classes, Deulgaon Raja
- 15) Sharad Chandra pawar Junior college, Deulgaon Raja
- 16) Kailaswasi Vijaymakhmale junior college, Malkapur pangara
- 17) Dindyal Mahavidyalaya Deulgaon Raja

- 18) Deulgon Raja High school Deulgon Raja
- 19) Adrash mahavidyalay singaon Jahangir
- 20) Samarth high school Pangari
- 21) Sidheswar Junior college sultanpur
- 22) Janata Mahavidyalaya Anjani(kh.)

Test conducted in three phase, first and test conducted in Anuradha Engineering college, Chikhli dated 18.01.2020 and 26.01.2020. Third test conducted in Sultanpur, Anjani(kh),Deulgaon raja and Singaon Jahangir dated 28.01.2020 and

29.01.2020. Total number of students participated in Mock test 2020 is 1560. Prize for this mock test was first prize Laptop Second Prize Desktops and third prize Samsung Android mobile

# कोरोनाच्या लढ्यात अनुराधा अभियांत्रिकीचा वाटा - डॉ.पंडीत

▶▶ अनुराधा अभियांत्रिकी महाविद्यालयात गणेश फेस्टीवल ▶▶ विद्यार्थ्यांचा प्रतिसाद

चिखली ■ प्रतिनिधी

दिवसेंदिवस कोरोना रूग्णांची वाढत आहे. नजिकच्या काळात ही संख्या कमी होण्याची चिन्हे नाहीत. अजुनतरी कोरोनावर निश्चित असे औषध न सापडल्यामुळे प्रतिबंधात्मक उपाय हाच एकमेव मार्ग आहे. सॅनीटायझरचा वापर, मास्कचा वापर व फिजीकल डिस्टेंसींग याद्वारे कोरोनापासून बचाव केला जावू शकतो. राहुल बोंद्रे यांच्या मार्गदर्शनात अनुराधा अभियांत्रिकी महाविद्यालयाच्या विद्यार्थ्यांनी कॉन्टॅक्टलेस सॅनीटायझर डिस्पेंसर मशीन तसेच सोडीयम हायपोक्लोराईड व फ्लोअर विलनरचे उत्पादन करून कोरोना विरुद्धच्या या लढ्यामध्ये जिल्ह्यात मोलाचा वाटा उचलला आहे, असे प्रतिपादन जिल्हा शल्यचिकीत्सक डॉ. प्रेमचंद पंडीत यांनी व्यक्त केले.

ते स्थानिक अनुराधा अभियांत्रिकी महाविद्यालया चिखली येथे गणेश फेस्टिव्हल २०२० च्या समारोप प्रसंगी

डॉ.प्रेमचंद पंडीत यांचा सत्कार करतांना मान्यवर

प्रमुख पाहुणे म्हणून बोलत होते. याप्रसंगी त्यांनी कोरोनाच्या या लढाईत आपला जिल्हा कसा नियंत्रणात ठेवण्यात यश आले या संबंधी माहिती दिली.

इतर जिल्ह्याच्या तुलनेत आपला जिल्ह्यात कोरोना नियंत्रणास राहण्यात मोठा वाटा हा आरोग्य विभागाचा असून याचे नेतृत्व केलेल्या सेनापती म्हणून डॉ. प्रेमचंद पंडीत यांचा सिंहाचा वाटा आहे, असे यावेळी डॉ. अरूण नन्हई प्राचार्य अनुराधा अभियांत्रिकी महाविद्यालय यांनी

सांगितले.

यावर्षी कोविड १९ च्या बंधनामुळे महाविद्यालयात अत्यंत साधेपानाने तसेच फिजीकल डिस्टेंसींगचे नियम पाळून २२ ऑगस्ट ते २४ऑगस्ट असा तीन दिवशीय गणेश उत्सव साजरा करण्यात आला.

याप्रसंगी संस्थेचे विश्वस्त सिध्देश्वर वानरे, अनुराधा फार्मसी कॉलेजचे प्राचार्य डॉ.के. आर. बियाणी, डॉ. राजेंद्र कोकाटे, डॉ. आर.बी. मापारी व समन्वयक डॉ. अविनाश कापसे आदी उपस्थित होते.

## अनुराधा अभियांत्रिकीचे सॅनीटायजर स्प्रे मशीन बाजारात दाखल

### अॅड. वृषालीताई बोंद्रे यांचे हस्ते अनावरण

प्रति./चिखली : कोरोना या आजारामुळे संपूर्ण जगात हाहाकार उडाला असून मागील पाच महिन्यांमध्ये कोट्यावधी लोकां या आजाराने प्रभावित झाले आहेत. संपूर्ण जगात या आजारावर लस शोधण्याचे प्रयत्न सुरू असून आजपर्यंत तरी यावर लस अथवा टोस औषधोपचार सापडलेला नाही. त्यामुळे

**Precaution is better**

than cure या उक्तीप्रमाणे जागतिक आरोग्य संघटनेने काही प्रतिबंधात्मक उपाय सुचविले आहेत. यातील एक महत्वाचा म्हणजे वारंवार सॅनीटायजर ने हात स्वच्छ करणे, परंतु सॅनिटायजर बॉटल ला संक्रमित व्यक्तीचे हात लागल्याने कोरोना संसर्ग होण्याची वाट शक्यता असते. यावर उपाय म्हणून स्थानीक अनुराधा अभियांत्रिकी महाविद्यालय चिखली द्वारे स्वयंचलीत हॅन्ड सॅनिटायजर मशीन विकसीत करून बाजारात आणण्यात आली आहे. हे मशीन पूर्णपणे भारतीय बनावटीचे व स्वयंचलीत असून हाताचे निर्जंतुकीकरण करण्यासाठी मशीनला स्पर्श करण्याची गरज नाही. DRDO या भारतीय संशोधन संस्थेने विकसीत केलेल्या मशीनच्या आधारावर याला विकसीत केलेले असून अत्याधुनिक मायक्रोकंट्रोलरचा वापर यामध्ये करण्यात आला आहे. बाजारामध्ये उपलब्ध अशाच प्रकारच्या मशीनमध्ये लेजर सेंसर वापरले असून या मशीनमधील मायक्रोकंट्रोलर सेंसरमुळे धुळ पानी याचा परीणाम न होता मशीन विघ्नकाळ व्यवस्थीत काम करते. यामध्ये प्रती सायकल ६० ते ७० टक्के सॅनिटायजरची बचत होते. या मशीनद्वारे एका लिटरमध्ये १००० वेळा स्प्रे केल्या जातो. हा स्प्रे मिस्ट स्वरूपाचा असल्यामुळे पूर्ण हातावर सॅनिटायजर पसरते. सदर मशीनची

क्षमता ८ लीटर असून याचा वापर घरगुती तथा औद्योगिक ठिकाणी सहजरित्या करता येतो. अनुराधा अभियांत्रिकी महाविद्यालयाचे सचिव यांच्या प्रेरणेने मागील तीन महिन्यांपासून या मशीनचे उत्पादन व सातत्यपूर्ण चाचणीनंतर बाजारात विक्रीकरीता दाखल झाले आहे. काळाची गरज ओळखून तंत्रज्ञान व कौशल्य पणाला लावून चिखलीतील अभियंता व तंत्रज्ञ यांनी औद्योगिक उत्पादन बाजारात आणून या शहराचा मान वाढविला आहे. असे या मशीनच्या अनावरणप्रसंगी प्रमुख पाहुण्या म्हणून हिरकणी मंडीला उत्कर्ष प्रतिष्ठानच्या संस्थापक अध्यक्षा अॅड. वृषालीताई बोंद्रे यांनी याप्रसंगी विचार व्यक्त केले. महाविद्यालयाचे प्राचार्य डॉ. अरुन नन्डई यांच्या मार्गदर्शनात, इलेक्ट्रॉनिक्स अॅन्ड टेलीकॉम्युनिकेशन चे विभागप्रमुख डॉ. राजेश मापारी यांच्या नेतृत्वात सर्वश्री सुनिल चौधरी, अरुन आंबेकर, तांबटकर, साहेबराव चवंड, सुनिल दळवी, पी.एल.शेळके आदींनी या उत्पादनाकरीता परिश्रम घेतले. याप्रसंगी परमहंस रामकृष्ण मौनीबाबा शिवाण संस्थेचे विश्वस्त सिध्देश्वर वानेरे, अनुराधा अर्बन बँकेचे सिईओ पंढरीनाथ टेकाळे, अनुराधा औषधनिर्माणशास्त्र महाविद्यालयाचे प्राचार्य डॉ. के.आर.बियाणी तसेच सर्व विभाग प्रमुख उपस्थित होते. सुवसंचालन डॉ. राजेंद्र कोकाटे यांनी केले.
