# ANURADHA COLLEGE OF ENGINEERING AND TECHNOLOGY

Anuradha Nagar, Sakegaon Road, Chikhli - 443201, Dist. Buldana (MS)

**NAAC Accredited B++ (Second Cycle)**

Approved by AICTE, New Delhi & DTE, Mumbai  
Affiliated to SGB Amravati University

## Available Courses

- B.E. Computer Science and Engineering
- B.E. Information Technology
- B.E. Electronics and Telecom. Engineering
- B.E. Mechanical Engineering
- B.E. Chemical Engineering
- M.E. CAD- CAM (Mechanical Engg)
- M.Tech. Chemical Engineering
- M.E. Computer Science and Engg.

## Salient Features

- Pollution free Campus- An ideal environment for holistic learning
- State of the art laboratories and academic infrastructure
- Placement opportunities in world renowned companies
- Indoor & Outdoor sports facilities

## ACADEMIC EXCELLENCE

Academic Excellence, evident in the high number of students achieving distinctions each year. Moreover, the college boasts a commendable record of having several students securing positions of merit in the

### University Rank Holders (University Merit)

2022-23

2023-24

**Yogesh S Kharat**  
Comp Sci & Engg  
CGPA 9.35

**Ajay G Sulakhe**  
Mech Engg  
CGPA 8.86

**Aniruddha S Shinde**  
Chem Engg (PG)  
CGPA 8.88

**Jayasri C Shetane**  
Chem Engg. (PG)  
CGPA 8.45

**Pranil D. Karwande**  
Mech. Engg.  
CGPA 8.86

## TRAINING & PLACEMENT

The College has a full fledged Training & Placement Cell which works after the placement and in plant Training of the students.

### Placement Record

Academic Year	2020-21	2021-22	2022-23	2023-24	2024-25
No. of Students	145+	175+	180+	40+ in process	40+ in process

### Training Conducted

- 1) Lifeskill Job Roadxness Workshop by GTT, under CSR of Barklays
- 2) Infosys Spring Board Program for Students

• **Contact** •  
**9975137181, 9922887222, 9970470429**

### Training and Placement Cell

- The college has a full-fledged Training and placement cell which looks after the placement and in-plant training activities of the students.
- More than 90% In campus and Off Campus placement record of renowned MNCs almost every year.
- More than 1000 Alumni of the institution working abroad in top MNCs.
- Very good and exponentially growing placement record.
- Training and placement cell organizes various Workshops, Expert Lectures from Corporate Professionals and training programs for better upliftment of the students.
- Special efforts for summer and vocational internship in reputed industries.

## ANURADHA ENGINEERING COLLEGE, CHIKHLI

Anuradha Nagar, Sakegaon Road, Chikhli - 443201, Dist. Buldhana (MS)

## About us

Ever since its establishment in 1993 with great vision of Shri Siddhavinayakji K. Bondre, the college has committed to create highly competent engineers. The college started with two under graduate courses, now it has been flourished with five under graduate and three post graduate courses. Additionally for high end research, the laboratories recognized by All India Council for Technical Education (AICTE), New Delhi and permanently affiliated with Sant Gadge Baba Amravati University, Amravati. As the symbol of Quality, the college is awarded with NAAC.

The young, enthusiastic, dedicated, leadership and management team is continuously busy in adding the latest technology and facilities for the welfare of students. Institute makes endless efforts in making our students technologically superior by providing them necessary infrastructure, strong cooperative networking and superlative placement keeping in tune with environment.

## Vision

To become world class institute through academic excellence, prominent research and innovations in engineering & technology by fostering humanity and professional ethics with holistic approach for betterment of society at large.

## Mission

- To excel in academia by adopting outcome-based education through inclusive & deep learning by providing healthy educational ecosystem with advanced learning resources.
- Fostering environment that encourages curiosity, creativity through collaborations to promote research and innovation by using green technology & science, considering sustainable development in rural area for the betterment of society at large.
- Empowering students to become well rounded individuals by adopting value-based education for nurturing skills set, ethics, spirituality & human values with holistic approach.

## Salient Features

- The Institute has trace of Excellent Academic Record with University Level Merit Students along with 100% University results.
- Personal guidance and care of each and every student throughout the year.
- Library facility with more than 27000 books and online access to good quality and reputed journals.
- University Recognized PhD Labs to carry out the research activities.
- The Students of the institute has shown the exceptionally brilliant performance at the state and university level Youth Festival, Sports and students honoured with color coat.
- Strong Alumni network of more than 6000 alumni and yearly get together in alumni meet-Anubandha
- Modern, well furnished e-classroom, drawing hall, seminar halls with adequate infrastructure and widespread lush green pollution free campus.
- Round the clock Wi-Fi enabled high speed internet facility.
- Spacious playground, indoor stadium with state of art sport facilities.
- Hostel facility for Girls, with hygienic living conditions and RO purified water facilities.
- In Campus amenities like cooperative store, post office, canteen, bank facilities, amphitheater etc.
- Extracurricular activities for students through Adventure Club, Nature Club, Movie Club, NSS, Purogami Vichar Manch, Green Technology-National conference, Ahwamadh-The Sports Festival, Anuspark-The Cultural Festival, Genius-The Technical Festival, Anurang-Annual magazine etc.

## Milestones of the Institute

The Institute is

- Accredited by NAAC in 2018.
- Awarded as Grade A institution by the Directorate of Technical Education, Maharashtra State Government in the year 2011.
- Accredited by National Board of Accreditation (NBA) in the year 2008.
- ISO 9001:2008 certified by SGS in the year 2011.
- The Institute also possesses an outstanding performance by its NSS unit from its inception and received State Level and many University Level Awards.

## Scholarships

- Students of this institute are eligible for the various scholarships/fellowships offered by Maharashtra Government and Central Governments (subject to the fulfillment of conditions laid by the Scholarship Providing Authority)

## Department of Mechanical Engineering

Students of mechanical department always have high career opportunities in the Indian and international markets well.

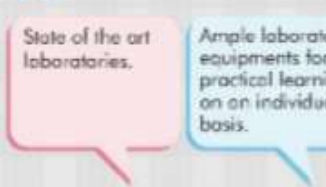

Highly qualified and experienced teaching staff.

Regular practical sessions for better understanding of subjects.

Well equipped laboratories and well-fledged workshop with all kinds of machine tools and tools.

Industry relevant full-fledged CAD/CAM laboratory.

## Department of Electronics & Telecom Engg.

State of the art laboratories.

Ample laboratory equipments for practical learning on an individual basis.

Special training program from corporate experts.

Good industrial exposure to students through industrial visits and expert talk from corporate personalities on regular basis.

## Department of Computer Science & Engineering

- A wide range of career opportunities in all diversified public and private sectors are available for Computer Science and Engineering students.
- All laboratories have advanced computers with 100 mbps internet lines.
- More emphasis is given on experience through practical sessions.
- Excellent placement record. Most of the alumni of the departments are at top positions in reputed firms.

## Department of Chemical Engineering

- There is a great demand of chemical engineers in a wide spectrum of industries like petroleum refineries, basic chemical, fertilizers, cement, pharmaceuticals & many more.
- The department has dynamic, dedicated, well qualified and experienced faculty members.
- Latest and most advanced laboratories.
- Good employment opportunities for students through active and vibrant network of alumni.

## Department of Information Technology

- The department is equipped with state of the art hardware and software infrastructure.
- Dedicated & well qualified team of the faculties and technical experts.
- Laboratories are well equipped with computers of latest configuration & internet facility.
- Regular industry based training program and soft skill development
