## CERTIFICATE

### (Certification of Completion of Infrastructure Facilities)

This is to certify that I, the undersigned Architect, have inspected the premises of **Anuradha College of Engineering & Technology, Chikhli, District Buldana, Maharashtra bearing on gut no. 117/1/1, 117/1/2, 117/1/3 mz. Savargaon Dukre** and hereby confirm that the following infrastructure facilities have been **completed in all respects** as per the approved plans, relevant norms, and standard engineering practices:

1. **Sewage Disposal System:**

The sewage disposal system has been properly designed and executed. It is fully functional, hygienic, and in accordance with applicable environmental and sanitation standards.

2. **Barrier-Free Environment:**

The campus has been developed to ensure a barrier-free environment for persons with disabilities. Necessary provisions such as ramps, handrails, and accessible pathways have been constructed as per guidelines.

3. **Toilets for Physically Challenged Persons:**

Adequate and properly designed toilet facilities for physically challenged individuals have been constructed and are fully operational, meeting accessibility norms.

4. **All-Weather Approach Road:**

The approach road leading to the institute is constructed to withstand all weather conditions and ensures safe and smooth access to the campus throughout the year.

5. **General Compliance:**

All the above works have been completed in accordance with the approved drawings, specifications, and relevant statutory requirements. The facilities are found to be satisfactory and fit for use.

This certificate is issued upon request for official purposes.
